NO MEETING THIS MONTH

We won't be holding our regular meeting at Round table Pizza this month because most of us will be at the GM Picnic in Graham. If needed, we can hold a short meeting at the picnic.

GM SWAP MEET AND GM PICNIC- June 14th & 15th

This weekend, June 14th and 15th, there are two events sponsored by the Mt Rainier Chevrolet Club at the Pierce County Fairgrounds in Graham. The first one is the **GM Swap Meet** which starts at 8:00. This is one of the smaller swap meets with mostly local car people selling their extra stuff. You can sometimes find some good deals.

The second event of the weekend is held on Sunday (Fathers' Day), June 15th. It is the **28th Annual GM Picnic**. This event starts at 8:00 and runs to about 3:00. It is open to all collectible GM cars whether they are restored or in need of restoration so if it runs, bring it. This meet usually costs \$10.00 per car. There are usually 300 to 400 cars at this meet so there are lots of cars to look at. Be sure to bring your camera. Besides people's choice trophies in several classes, each car will receive a dash plaque. Although most people bring a picnic lunch there is usually some type of food available. It's a good idea to bring along picnic chairs if you are planning to spend the day.

Our club has always had a very good turn out of 4-4-2s and Cutlasses at this meet and we hope you all can make it again this year. If you would like to drive in and park as a group, we will be meeting at the Teen Challenge Thrift Store just north of the fairgrounds at E. 213th & Meridian. We will meet at 7:30 and leave for the fairgrounds at 7:45. If you can't join us that early, come when you can. Hope to see you there.

BUICK ONLY CAR SHOW - June 21st

Saturday, June 21st is the 10th Annual All Buick Car Show at Cornforth-Campbell Motors in Puyallup. This show is put on by the Puget Sound Buick Club and it starts at 10:00. If you like Buicks, this show is a must.

PONTIAC/OAKLAND/GMC TRUCK CAR SHOW - June 22nd

Sunday June 22nd is the 8th Annual Pontiac / Oakland / GMC Truck Car Show also at Cornforth-Campbell Motors in Puyallup. Pontiacs must get up a little earlier because their show starts at 9:00. It is sponsored by the Puget Sound Pontiac/Oakland Club.

442 / CUTLASS PICNIC - July 13th

Our 442/Cutlass Picnic is just around the corner on Sunday, July 13th at Fort Borst Park in Centralia. As always, we need door prizes for the picnic so if you can check with your local parts store and help us out with door prizes, we would greatly appreciate it. Remember, businesses that donate door prizes will get a free ad in our newsletter for the year.

I am sure we will have the usual group helping out with registration, ballot counting and the sales of club t-shirts and hats but these people can always use some help or a break now and then so if you can help, please let us know or volunteer at the meet. Most of all we need all of our members who have their Oldsmobiles on the road to show up for this club sponsored event. If your car isn't quite on the road yet, this is a good meet to get information on restoration or parts from other owners. They are always happy to share information. And don't forget about the trunk swap meet. You might find some small parts that you have been looking for or a lead on parts.

The meet starts at 10:00 but some of us get there around 8:00 to set up the park and put out the signs. Remember to mark July 13th on your calendar with a big red circle so you don't plan something else on that date. We will put out our next newsletter just before the meet for a final reminder.

19TH ANNUAL PACIFIC NORTHWEST ZONE OLDSMOBILE MEET – July 26th

Another really great Oldsmobile meet is the 19th Annual Pacific NW Zone meet on Saturday, July 26th at the Frances Anderson Recreational Center, 700 Main Street, Edmonds, WA. The show runs from 10:00 to 4:00. Pre-registration is \$15.00 or \$20.00 at the show. This meet is sponsored by the Puget Sound Olds Club. They will also be hosting (with help from other clubs) the 2005 National Oldsmobile Meet in our area. Check out the flyer for complete information.
