Dedication

A soft, slightly southern accent--an easy-going air of nonchalance--a constant chivalry and an ever-flowing endless source of anecdotes. But underneath this calm surface stirs the machinery that sets in motion the teacher, the electrician, the carpenter, the photographer and the inveterate traveler.

For twenty-six years the halls of St. Helens have echoed the footsteps of Major Ragland as he pursued his many duties as teacher of geometry, physics, bookkeeping, general science, as Audio-visual coordinator for the District, and as annual adviser for close to a quarter of a century.

To this son of old Mo., this tradition on wheels, we dedicate the 1970 edition of *The Lion*.

Seated: Mrs. Margaret Stansbury, deputy clerk; Mrs. Betty Soule, chairman of board; George Kimmel, member of board. Standing: Harold Olsen, attorney; George E. Muehleck, member of board; Gayne R. Moxness, member of board; Wallace E. Lambert, member of board.

Wayne Foster, superintendent of schools

William Wilson, director of instruction

Each year at the end of school our thoughts turn to the graduating seniors. The class of 1970 faces many new and unknown challenges. No one can accurately forecast the future, but one thing is for certain; life as you know it at the beginning of the 1970's will only remotely resemble life at the close of this decade. For those students who have sacrificed to achieve their educational goals, adjustments to future events should come more easily. We hope you have prepared well.

The opportunity to gain material success is as great as it has ever been. But success cannot be measured in material terms alone. Happiness, health, the spirit of giving and helping others must be included in the real meaning of success.

It is our hope that each and every member of this class will be successful as the years go by. Best wishes to the members of the class of 1970 from your fellow students, teachers, and many friends.

Student Council

Mr. Stewart, Advisor

After being elected Associated Student Body Officers of our school in May of 1969, our predecessors challenged us to solve the problems with which our school was faced. Many problems still remain to be solved but we hope the following officers continue the work past and present members have at least begun to answer.

Jim and I, as vice-president and president, would like to issue a vote of thanks to Mr. Stewart, our adviser, for a fine job well done. We expect that next year's officers will work as closely together as we have and will attempt to split the obligations, giving the vice-president a more responsible role. We feel this was one of our most important goals.

Respectfully

Steve Adkins, A.S.B. president
Jim Sargent, A.S.B. vice-president

Foreign Exchange Student

Anne Botrel

"Time is going so fast now that I wish I could stop it to live twice the last few weeks. I have learned much about myself by being among you, but more than this discovery I have met you, I have lived with you. And I have seen that we are all alike.

The end of a happy experience is always very sad. But it will never mean the end of a friendship, will it?"

Some of the members have attended state-wide conventions involved with international problems. The officers are Becky Kohlstrand, vice-president; Kathy King, secretary; Sue Semling, treasurer. Along with these officers I would like to thank the advisers for their help.

It has really been an honor being able to serve our school as varsity cheerleaders this year. On the whole, our teams have given us a lot to be proud of and we've tried to support them all that we could. We hope that in the future other cheerleaders from this great school will have as much fun as we have had backing our mighty Lions!

Track

St. Helens track squads have posted a 70 win 5 loss record over the past three seasons which includes the 1969 district championship. The 1970 edition of the Lions cindersquad lacks the strength of past years but still should prove to be one of the TYV top squads. Standouts on this year's squad are Seniors: Todd Lathers, Dan Logan, John Grau, Joe Neveau, Doug Hegele, Bob Peterson, Steve Adkins, Lloyd Wegner, and Burt Walrod. Juniors are Chris Knudsen, Jack Willard, Ed Strehlou, Harold Neveau, and Craig Sigler. Sophomores are Dan Durbin, John Heller, Gary Barger, Jerry Fast, Jim Walters, Dave Nickelson, Tim Wilson, and Jim Paterson.

Coach Burr gives hints to pitchers Martin Doherty and Tom Sittingdown.

Second baseman Dennis Brown watches as short stop Bill Gantt snags a hit.

Varsity Baseball

The 1970 Baseball team is off to an exceptionally fine start. The record to date shows 7 wins against only one loss. This record has been achieved through hard work, dedication, and a fine team spirit. If we can continue on into our league competition with this hustle and spirit we will most certainly establish ourselves as a serious contender.

The backbone of the club thus far has been our pitching staff which is headed by Martin Doherty and Tom Sittingdown. Doherty has a record of 3 wins and 0 losses and an ERA of .529; Tom has 2-0 and an ERA of .473. They must continue to be consistent on the mound if we are to be successful.

At the plate the team is led by Jim Minyard who is hitting an even .500. He is followed closely by Martin Doherty and Stan Mendenhall.

If our younger players can improve as we start into our league schedule we look for a fine year.

COACH BURR

50 Stan Mendenhall catches while Ron Wagner bats.

Carol Contest

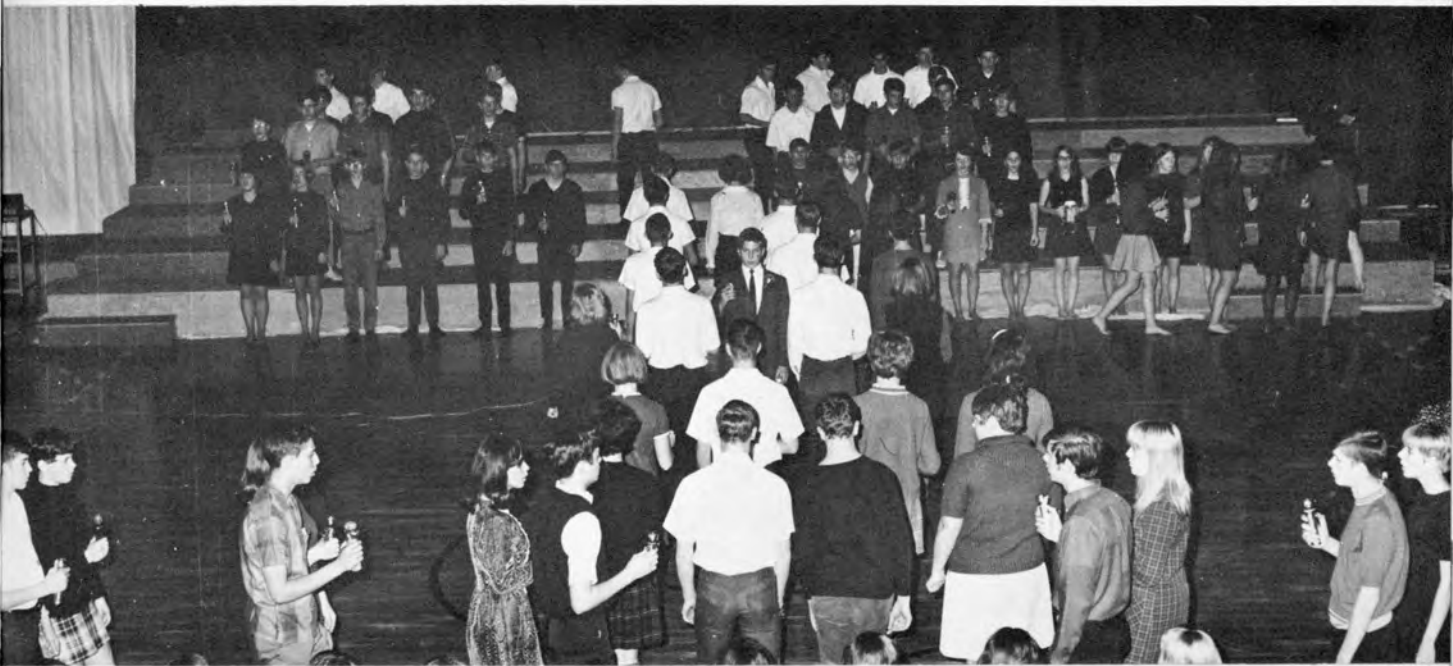

This year's Carol Contest was probably the most beautiful and exciting ever. The junior class was excellent and deserved the win, but I would have hated to be in the position of the judges, for it was a difficult decision. I thank the Girls League for such a fine program.

SOPHOMORE YEAR

As Sophomores the class of 70's first competitive event came at homecoming. Chicken wire, tissue paper and Sophomores filled the Sherlock barn as we decorated our float. Unfortunately we decorated ourselves into third place. We consoled ourselves in the first of a long line of failures by reminding each other, "It's not whether you win or lose, it's how you play the game."

We were saved from the usual sophomore embarrassment at Christmas time, when the Christmas Carol Contest was snowed out.

Then there was the Biology field trip - 150 Sophomores sliding over the rocks at Boiler Bay.

The Sophomores put men on the varsity football, basketball, swimming, wrestling, baseball, and track squads.

And so we survived our first year at high school - one year of Biology notebooks, sitting in the balcony, and eating on the last lunch bell.

JUNIOR YEAR

We started our Junior Year with a big victory - first place during Homecoming Week. We put on a brilliant skit featuring a mob scene at the end. "Participation was our goal."

As Juniors we really went all out for the Carol Contest with flashlights, fanfares, angels, and the indispensable white collar.

Our Prom theme was Tahitian Holiday. Hammers pounded and paint flew as the Junior Class turned out to decorate. There were tense moments, but by Saturday afternoon the gym was almost unrecognizable.

The Juniors scored again on Varsity and J.V. sports squads. We were T.Y.V. track champs and our year ended in anticipation of our Senior year.

the Class of '70

SENIOR YEAR

One of the most pleasant events of our Senior year was the arrival of Anne Botrel, our foreign exchange student from France.

As the strains of "Angels We Have Heard on High" filled the halls, we prepared for the Carol Contest. Again we seemed to fall short. We took 2nd place, but the Christmas spirit prevailed during the whole month of December.

Seniors look forward to graduation but also look back on the happy moments during three of the most important years of our lives.

"But it is time to go, and I must go:
And what we thought, and silenced,
none shall know."

Conrad Aiken

Class colors: Silver and Blue

Class flower: White Rose

Class motto: "Today is the first day
of the rest of our lives."

Out of the night that covers me,
Black as the Pit from pole to pole,
I thank whatever gods may be,
For my unconquerable soul.

In the fell clutch of circumstance
I have not winced nor cried aloud.
Under the bludgeonings of chance.
My head is bloody, but unbowed.

Beyond this place of wrath and tears
Looms but the horror of the shade,
And yet the menace of the years
Finds, and shall find me, unafraid.

It matters not how straight the gate,
How charged with punishments the scroll,
I am the master of my fate:
I am the captain of my soul.

...William Ernest Henley
